Refreshments and valuable conservation information await you at Okonjima Nature Reserve after a two-hour drive north of Windhoek or an hour's drive south of Otjiwarongo.

Day visitors can observe the foundation's work and learn more about African predators, such as the lion, leopard and cheetah, and their plight for survival. We appreciate your support as tourism funds the majority of AfriCat's education, research and conservation work.

Okonjima is investing into the guest experience through an enhancement of the Okonjima Nature Reserve. Additional resources in the areas of infrastructure, anti-poaching and research will enhance the overall guest experience, as well as contribute substantially to expanding research findings and exposing Namibia's veterinarian and environmental studies students to hands-on field work. These enhancements will serve to further underscore Okonjima's endangered species management programme, and solidify Okonjima's reputation in Namibia.

Okonjima reserves the right to amend these rates as and when necessary.
